"Fan Tokens are a form of cryptoasset. They are utility tokens that grant their holders the right to participate in token gated fan engagement and rewards experiences on the platforms where such utility is provided. To acquire Fan Tokens, you must download the [Socios.com](https://socios.com) app and purchase \$CHZ or obtain \$CHZ through any centralised or decentralised exchange listing \$CHZ. \$CHZ can then be swapped for

Fan Tokens on any third party platform offering the trading of Fan Tokens. Please note that (a) the value of cryptoassets is variable and can go down as well as up; (b) cryptoassets are unregulated in most markets; and (C) Capital Gains Tax (or similar taxes) may be payable on any profits made on the sale of cryptoassets. You should carefully consider buying or selling cryptoassets as it entails risks and could result in a complete loss of funds. Fan Tokens are not suitable for those under-18.
