Functionalities made available for a particular Fan Token depend entirely on the engagement strategy of the collaborating Partner.

9.1.1. Partnership Agreements

The User understands that the Token Functionalities of the Fan Tokens depend on the contractual agreement between the Issuer and the collaborating Partner (“**Partnership Agreement**”). While all Partnership Agreements are entered into with the objective to build on a long-term relationship, they will not remain in effect in perpetuity. The User understands that the Partnership Agreements will eventually expire or be terminated and acknowledges that Fan Tokens may partially or fully lose their Token Functionalities as a result of such expiration or termination.

In case of an expiration or termination of the Partnership Agreement, the User remains able to hold and trade the corresponding Fan Tokens on the Platform interface (unless otherwise communicated to the User) or anywhere else where the Fan Token is listed. In no case shall the Issuer, the Operator, or the Partner be held liable for any losses, expenses or any other damages incurred by the User as a result of a partial or full loss of the Token Functionalities.

9.1.2. No Guaranteed Token Functionalities

The User understands and acknowledges that the Token Functionalities of a Fan Token are not conclusively defined at the time of its issuance and that the Operator has the right to add additional or remove existing Token Functionalities at any time at its sole discretion and/or based on instructions of the respective Partner. The User further understands and acknowledges that the addition of Token Functionalities by the Operator is not guaranteed, and that Fan Tokens might therefore not provide the User with any Token Functionalities at all.

By purchasing Fan Tokens, the User does not obtain the right to claim any Token Functionalities from the Operator. The User solely acquires the right to make use of Token Functionalities that are offered by the Operator, provided that the User meets the Usage Requirements that are defined by the Operator as described below.

9.1.3. Participation in Polls as a Token Functionality

Fan Tokens may allow holders to execute voting rights in relation to binding or non-binding Surveys and Polls as further described herein. Participation in the Surveys is subject to the following conditions and limitations:

- Prior to voting in a Poll, Users must first lock their Fan Tokens (in an amount as determined and indicated by the Operator) in the Stake & Earn Feature (as defined and regulated in these Platform Terms). Please refer to the provisions regulating the Stake & Earn Feature further below to learn more.
- Surveys can be of a binding or non-binding nature. In case of binding Surveys, the collaborating Partner is obliged to carry out the result of the Survey unless

there are circumstances beyond the reasonable control of the collaborating Partner that render the performance impossible.

- Binding Surveys may be subject to a quorum threshold whereby a minimum number of votes, to be determined by the Operator, is required for the validity and executability of the Survey. If a predetermined quorum is not reached, the Operator shall have the right to decide, at its sole discretion, whether to extend the duration of the Survey, suspend the Survey, invalidate the Survey, or launch an alternative Survey.
- To prevent the manipulation and control of Surveys by a single participant, the amount of Fan Token held by a participant may not correspond to an exact equivalent in voting rights. While the vote of a participant with multiple Fan Token shall have a greater weight, the precise weighing of the voting rights will be determined by the Operator and communicated in the instructions of the respective Survey.
- Following the participation in a Survey, the Fan Token will remain locked in the smart contract until the voting period of the Survey has lapsed and the User will need to claim back such Fan Tokens thereafter. This is done to prevent the multiple use of the same Fan Token in a Survey.
- The User understands and acknowledges that Fan Token holders will never have the right to vote on any strategic management decisions that are reserved to corporate bodies or vested in directors and shareholders of the collaborating Partner, Issuer and/or Operator to receive profits that are generated by the collaborating Partner, Issuer and/or Operator or otherwise participate in any revenue streams of the collaborating Partner, Issuer and/or Operator.
- The User understands and acknowledges that participation in Surveys might require interaction with the Platform or on any other digital interface as agreed with the collaborating Partner as set forth in the Partnership Agreement.
- While submitting a vote You understand and agree that the number of Fan Token required to participate cannot be withdrawn from the Socios.com Wallet for the duration of the Survey only as displayed on the App. This restriction shall end once the Survey ends.

9.1.4. Usage of Token Functionalities

9.1.4 1. Visibility and Communication

Token Functionalities are offered by the Operator on the Platform. Fan Tokens, as blockchain-based tokens exist on the Chiliz Chain independently of whether they are held by the User in the Socios.com Wallet which can be accessed through the Platform interface, or within a third party wallet. Thus Fan Tokens can be exchanged by the User or third parties, but Token Functionalities are exclusively those defined herein. Token Functionalities can only be viewed, managed, and used on the Platform or on any other digital interface determined by the Operator or as agreed with the collaborating Partner as set forth in the Partnership Agreement. Given that the Chiliz Chain is a decentralized

blockchain, it can undergo upgrades and modifications. As such, the permissions and authorities defined may be subject to change following these updates. The User understands and acknowledges that the Operator or Issuer have no obligation to inform the User about new Token Functionalities, new digital interfaces or upgrades/changes to the Chiliz Chain.

9.1.4 .2. Additional Usage Requirements

The Token Functionalities (if any) may be subject to additional usage requirements (“**Usage Requirements**”) which are determined by the Operator at its sole discretion. The Operator may for example determine that the use of a certain Token Functionality is dependent on the amount of Fan Token that are held by the User or on the duration for which the Fan Token have been held by the User. The Operator can further limit the number of available products and services that are offered as part of a loyalty program and allocate them to qualifying Users on a “first come, first served” basis.

9.1.5. Legal Clarifications regarding Fan Tokens

9.1.5.1. No Means of Payment

When a User makes use of a particular Token Functionality, the Fan Token used to access the Token Functionality will not be burned, consumed, transferred, or otherwise surrendered but will remain with the User. This means that the Fan Tokens are not used as a means of payment or value transfer but to unlock Token Functionalities made available by the Operator for the Fan Token holder, subject to the conditions set forth by Operator with respect to the particular Token Functionality.

9.1.5.2. No Financial Rights

Fan Tokens shall enable the User to build a personal connection and immaterial bond with the collaborating Partner. The User is expected to purchase and hold Fan Tokens for consumptive, emotional and non-commercial reasons only and to make use of the Token Functionalities as described herein. By accepting these Terms, the User acknowledges that the relationship between the User and the collaborating Partner will always remain on a non-monetary basis. This has the following consequences:

- Fan Tokens do not constitute financial instruments and do not represent any ownership rights or stake, shares or security or equivalent rights in the Issuer, the Operator, or the collaborating Partner.
- Fan Tokens do not convey a right to receive or participate in future profits, revenue streams, proceeds, or other forms of financial gains that are related to the activities of the Issuer, the Operator, or the collaborating Partner.
- Fan Tokens do not create or confer any enforceable contractual or other obligations against the collaborating Partner. Fan Tokens do in particular not, and shall not be construed to, grant to the User any license or right of any nature with

respect to any intellectual property rights, rights of publicity, or equivalent rights in or related to the collaborating Partner, its players, or any of its affiliates.

9.1.5.3. Possible Modification and Termination

The Operator or its Affiliates have the right to offer, modify, eliminate, and/or terminate Fan Tokens, the content, and/or the Services, or any portion thereof, at any time, without liability to the User. If the Operator decides to discontinue the use of Fan Tokens on the Platform, the Operator will provide advance notice to the User by posting a notice through the Services or through other communications.

9.2. Secondary Market Transactions of Fan Tokens

- 9.2.1. Once the Fan Token Offering as made available by the Issuer ends, the Fan Tokens may be listed on third party cryptocurrency exchanges, where separate terms and conditions may apply.
- 9.2.2. Users may also buy and sell Fan Tokens on the Decentralised Exchange that can be accessed through the Platform interface, if the Fan Tokens are listed thereon. For the sake of clarity, such Decentralised Exchanges are not operated in any manner whatsoever by the Operator, the Issuer or any of their Affiliates.
- 9.2.3. In specific jurisdictions, Users may have the option (if available) to purchase or sell certain Fan Tokens against FIAT directly through independent third-party crypto on-ramp/off-ramp service providers (“**Fan Token Ramp Transaction**”). Such Fan Token Ramp Transaction, if available to You, shall be a service accessible through the Platform interface. With regards to the Fan Token Ramp Transaction, the User acknowledges and understands the following:
 - (i) The provision of any crypto on-ramp/off-ramp service to conclude a Fan Token Ramp Transaction is provided by independent third-party service providers and constitutes transactions concluded exclusively between the User and such third-party without the involvement of the Operator or its Affiliates. The Operator and its Affiliates: (a) are not in any manner whatsoever involved in the provision or operation of such services; (b) are not involved in any manner whatsoever in the reception or transmission of any such orders, nor in any settlement thereof; and (iii) do not operate, control or influence the routing,

- placement or execution of any such orders taking place through the Platform interface;
- (ii) Any Fan Token Ramp Transaction may be subject to the terms and conditions, privacy policies, fees and any other agreements stipulated by such third-party service provider. It is Your sole responsibility to review any such third-party terms prior to concluding any Fan Token Ramp Transaction;
 - (iii) The Operator and its Affiliates shall not be liable in any manner whatsoever for any loss, damage, or liability arising out of or in connection with Your Fan Token Ramp Transaction (or any attempts thereof), including but not limited to, any issues with transaction processing, fees, or any other failure or default on the third-party's end;
 - (iv) The availability of such Fan Token Ramp Transaction through the Platform interface does not constitute any warranty of any kind by the Operator or its Affiliates regarding such services;
 - (v) The Operator shall have the sole discretionary right to add or remove access to any Fan Token Ramp Transactions through the Platform interface in some or all jurisdictions for any reason whatsoever without incurring any liability whatsoever towards You.

9.3. Fan Token Removal

The Issuer, the Operator, the collaborating Partner or any other third party reserve their right to remove any Fan Token from any digital interface, temporarily or permanently, at any time and without prior notice to the User, if such a removal is reasonably required to comply with any contractual or regulatory obligations (“**Token Removal**”). The User therefore understands and acknowledges that there is no guarantee that Fan Tokens will remain available after the Fan Token Offering. In no case shall the Operator be held liable for any losses, expenses or any other damages incurred by the User as a result of a Token Removal. In case of a Token Removal, the User may lose the ability to use the Token Functionalities that have been added to the Fan Token.

We display the amount of Fan Tokens (to be held or staked in Your Socios.com Wallet) and Reward Points required to access any specific Reward directly on the App.

Annual Rewards Redemption Cap

- (i) Each User shall be subject to an “Annual Rewards Redemption Cap”, which shall be defined as follows: the Annual Rewards Redemption Cap limits each User to be able to redeem a maximum of twenty (20) Reward Units (as defined below) per calendar year. For the sake of clarity, reference to the calendar year shall mean the period commencing on 1 January and ending on 31 December.
- (ii) A “Reward Unit” shall be defined as a single, tangible instance of the experience and/or event which is the subject of the Reward. Therefore, where a single redeemed Reward grants access to more than one individual (for example, two tickets, four spots, two seats, etc.), each individual ticket, spot, seat, etc. shall count as one separate Reward Unit against the User’s Annual Rewards Redemption Cap.
- (iii) The Annual Rewards Redemption Cap shall apply to Rewards that consist of experiences and/or events requiring the individuals presence, including, but not limited to, match tickets, tickets to attend sports events or other events, stadium or venue tours, meet-and-greets, and live events.

Note on NFTs:

- NFTs do not grant their holders voting rights, unless otherwise stated. The market value of a NFT (if any) may vary and the Issuer/Operator does not and cannot guarantee the market value of such NFT. NFTs exist by virtue of the ownership record maintained in the applicable ledger. Upon receipt of a NFT, the User agrees to comply with all the terms, including the restrictions.
- By receiving and holding a NFT, the User does not become the owner of the Artwork or the intellectual property rights contained therein. The intellectual property rights of the Issuer, Affiliates and Partners and any third-party rights that are incorporated in the Artwork and represented by the NFT are not transferred to the User as the recipient of the NFT.
- Only limited personal non-commercial use and resale rights in the NFT are granted. No rights to sublicense, commercially exploit, reproduce, distribute, prepare derivative works from or modify the NFT, its individual components (for example the Artwork and underlying technology) and/or rights incorporated therein is granted. All intellectual property rights therein are reserved and not granted (“License”).

While selecting the Reward which You may be eligible to redeem, You undertake to read, understand the characteristic (including but not limited to date of the event, material, size, shape, color, stadium, seat location), the amount of Reward Points and the personal requirements associated with each particular Reward as described on the respective page on the Platform.

You can select up to one (1) Reward in one (1) Rewards category each time You apply to redeem a Reward. We reserve the right to determine and change the maximum number of units per Reward You may select to redeem from time to time.

By participating in the Fan Rewards feature You acknowledge and agree that: (i) Your confirmation to redeem a Reward is final; (ii) You may not elect to withdraw Your confirmation to redeem a Reward; (iii) We have the absolute right to reject Your application to redeem a Reward; (iv) We have the absolute right to cancel the order of the Reward You have selected. For the sake of clarity, You acknowledge that all Rewards will ultimately be awarded at Our sole discretion. In addition, after Your confirmation for the redemption of the Reward, exchange/replacement and/or (part/full) refund in Reward Points or in any currency (including FIAT currency) is **NOT** possible (unless specified otherwise by Us at Our sole discretion in these Terms, on Our FAQs page or through any other official communication). Furthermore, You consent to redeem the Reward You have selected and waive any rights to introduce any kind of inquiry or claim arising out of or indirectly related to Your Reward either directly against Socios or before any third-party public or private body.

Applying for Fan Rewards does not require any fee or payment from Your end and the selected Reward is redeemed exclusively in exchange of Your loyalty points, namely Reward Points, which bear no monetary or financial value as laid down in these Terms. Once You have confirmed Your selected Reward, it will only be redeemed if Your Reward Points balance is equal to or greater than the required amount displayed for the selected Reward. Based on the foregoing, the required amount of Reward Points for the respective Rewards will be deducted from Your Reward Points balance. If Your balance for Reward Points is inferior to the amount required for the Rewards You seek to redeem, then confirmation of the Rewards will not be possible.

10.8.2.3. Fan Rewards: Rewards Availability

Certain Rewards will not be immediately available for redemption, and may become available for redemption at a later date at Socios' sole discretion. Such Rewards will be clearly marked as not being available for redemption at that point in time.

There may be Rewards which, even though available for redemption, will not be accompanied by all relevant details pertaining thereto, including but not limited to, specific dates (the "Provisional Rewards"). Such Provisional Rewards will instead be accompanied by a generic description bearing details and information which Socios would be in possession of at the time. This practice will apply particularly when We lack visibility of specific details and information regarding the precise nature of the Provisional Reward and/or the underlying benefit attached thereto.

You understand that We rely on Our Partners or other third parties for the provision of the Rewards in general, and You therefore acknowledge that Socios does not guarantee in any manner whatsoever that any Provisional Reward which You have redeemed will ultimately be delivered and/or granted to You. In the event where a Provisional Reward which You have redeemed is not granted and/or delivered due to unavailability such as due to a cancelled event or absence of merchandise, Socios shall initiate a refund to You in the form of Reward Points. Such refund of Reward Points shall be Your sole remedy and Socios shall not be liable in any manner whatsoever for the non-delivery of the Provisional Rewards. You are solely and fully liable for the redemption of any Provisional Reward, including for any claims, damages, losses, suits, actions, demands, proceedings, expenses, and/or any other liabilities of whatever nature arising out of Your redemption of a Provisional Reward, including but not limited to any travel or accommodation expenses incurred by You. Any expenses incurred and/or travel and/or accommodation arrangements made by You in relation to a Provisional Reward are made at Your own risk.

You hereby agree and acknowledge that subsequent to Your redemption of a Reward, including redemption of a Provisional Reward, such Rewards and/or any underlying benefit attached thereto may be subject to change at any point in time, be it an upgrade or downgrade, or a change in the date indicated, depending on what Socios secures with the relevant Partners. Socios shall not be liable for any claims, damages, losses, suits, actions, demands, proceedings, expenses, and/or any other liabilities arising out of such change to the redeemed Reward.

10.8.2.4. Fan Rewards: Reward Point Auctions

- a) In certain geographical areas the Operator may, at its sole discretion, make available to the Users "Reward Point Auctions" through which Users can redeem (bid) Rewards.
- b) To participate in Reward Point Auctions, Users must hold or have staked in their Socios.com Wallet (as the case may be) a specified amount of Fan Tokens, as determined by the Operator for each auction. These Fan Tokens must be held or staked (as the case may be) in the User's Socios.com Wallet at the time of placing a bid as well as the moment of redemption. Fan Tokens staked via the Stake & Earn Feature are included in the required balance. Notably, no Fan Tokens are spent during auction participation.
- c) Users place bids using their Reward Points. Each auction will have a minimum bid set by the Operator, with subsequent minimum bid increments also determined by the Operator. The current highest bid and the next required minimum bid will be displayed to Users.
- d) Reward Points used in active bids are locked and cannot be utilized in other Features on the Platform. If a User is outbid, their Reward Points are automatically unlocked. Users may participate in multiple auctions simultaneously, unless otherwise stated by the Operator in the respective auction/Reward description, provided they have sufficient Reward Points to satisfy each individual bid.

- e) In the event that a bid is placed within the final fifteen (15) minutes before the respective auction is closed, the auction will be extended by a further fifteen (15) minute period within which Users may continue to bid. Each auction may be extended for a maximum of four (4) fifteen minute periods, up to a maximum of one (1) hour in total.
- f) Winning bidders are required to provide specific details (including personal details) needed for them to ultimately be able to receive the respective Reward within forty-eight (48) hours of receiving notification of their successful (winning) bid. Notifications will be sent via email, prompting Users to provide the requested information within the Platform. If the requested details are not provided within this timeframe, the auction will be re-opened, and the previously locked Reward Points will be not be released back to the User. For the avoidance of doubt, in the event that the winning bidder fails to provide the requested details required, it is hereby being understood and acknowledged by the Users that this shall result in the forfeiture of the entire amount of Reward Points that were used for the purpose of placing the winning bid in the respective auction.

10.8.3. Stake & Earn Feature

In certain geographical areas and at its sole discretion, the Operator may make available to Users a feature allowing them to lock their Supported Fan Tokens (as defined below) in the smart contract, which could result in the allocation of Reward Points or other Rewards as decided by the Operator from time to time ("Stake & Earn Feature").

In addition the Operator may decide, at any point in time and without allocating reason, to block the Stake & Earn Feature or any of its components in certain geographical areas where the Stake & Earn Feature was previously made available, including but not limited to the availability of different Rewards.

For the purposes of this section 10.8.3. regulating the Stake & Earn Feature, any reference contained herein to the terms "staking", "staked tokens", "staked amount", "staked balance", "staking input", "unstaking", "unstaking process", or similar expressions must be interpreted as the actions of "locking" or "unlocking" Supported Fan Tokens in the smart contract, "locked tokens", "locked amount", "locked balance", "locking input", "unlocking process", or similar corresponding terms, respectively, and shall not be given any other interpretation except as outlined herein.

The terms "locking" and "staking" may be used interchangeably, as may the terms "unlocking" and "unstaking". However, they refer to the same processes of securing or releasing tokens in the smart contract for participation in the Stake & Earn Feature.

The Stake & Earn Feature is not an investment product and should not be interpreted as offering any financial gains, returns, investment benefits, or similar incentives. Participation herein is solely for fan engagement purposes and access to Rewards. The locked Fan Tokens do not serve a technical role in securing a network, validating transactions, or participating in any Proof of Stake (PoS) or similar consensus protocols. Rewards are allocated without reliance on network performance, staking operations, or validator responsibilities. By participating in the Stake & Earn Feature, You acknowledge and agree that this program is fundamentally a fan rewards mechanism as part of a loyalty scheme and does not constitute staking in the traditional blockchain sense.

10.8.3.1. Description, Eligibility, and Access

The Stake & Earn Feature is a fan engagement rewards program that enables You to lock certain Fan Tokens which are eligible for the Stake & Earn Feature in the smart contract, which selection of Fan Tokens is determined at the Operator's sole discretion ("Supported Fan Token(s)"). You can lock Supported Fan Token(s) which You have available in Your Socios.com Wallet.

By locking your Supported Fan Token(s), You may earn Reward Points, which will be distributed daily as further defined herein. Your daily Reward Points allocation will be calculated based on your proportionate share of Supported Fan Token(s) locked relative to the total number of Supported Fan Token(s) locked by all users in the Reward Points pool. The formula used is: $(\text{Your locked Supported Fan Tokens} \times \text{Reward Points pool}) \div \text{Total number of Supported Fan Tokens locked by all Users participating in the Stake \& Earn Feature}$, and the resulting daily Reward Points will be rounded to the nearest whole number.

The Operator reserves the right, at its sole discretion, to offer additional rewards, modify existing Rewards, or introduce new forms of incentives at any time. Such rewards may include, but are not limited to, participation-based incentives such as real-world items (for example, merchandise, tickets), tokenized goods and tokenized Reward Points redeemable for non-financial benefits.

Users are eligible to use the Stake & Earn Feature provided that:

1. The Stake & Earn Feature is made available to You on the Platform.
2. You hold the required amount of Supported Fan Token(s) as determined by the Operator and these Supported Fan Tokens are available in Your Socios.com Wallet at the time of locking.
3. You are not in breach of the Global Terms of Use.
4. You have read, understood, and agreed to the provisions of the Stake & Earn Feature (including any additional instructions or limitations outlined in the Stake & Earn Feature on the Platform or as communicated to You in any other manner).

5. You have ensured that the Supported Fan Token(s) and the Stake & Earn Feature comply with the laws and regulations applicable to You.

The Stake & Earn Feature is made available to You according to the identity associated to Your Socios Account, and You may not use the Stake & Earn Feature for or on behalf of any third-party.

We reserve the right to modify, suspend, or terminate the Stake & Earn Feature, in whole or in part, including its components, restrictions, rewarding mechanics, minimum Reward guarantees, or distribution rules, at any time and at Our sole discretion, without obligation to provide further Rewards:

1. Any changes will apply prospectively and will not affect Rewards earned prior to the date of modification, suspension, or termination. In cases where such changes impact a User's eligibility to participate, no further Rewards will accrue or be distributed from the date of ineligibility onwards.
2. If modifications or suspensions are required due to regulatory or compliance obligations, the Operator shall not be held liable for any resulting impact on ongoing participation in the Stake & Earn Feature.

10.8.3.2. Locking/Unlocking Fan Tokens and Rewards

10.8.3.2.1. Staking Fan Tokens

Users can lock Supported Fan Token(s) available in their Socios.com Wallet into the smart contract as part of the Stake & Earn Feature. By default, the staking input field will display the User's available balance of Supported Fan Token(s), which can be adjusted to specify the amount of Supported Fan Token(s) the User wishes to lock, provided it does not exceed their available balance. Users may initiate multiple locking transactions, provided the eligibility criteria and Stake & Earn Feature conditions are met.

10.8.3.2.2. Staked Fan Tokens Accessibility

Fan Tokens locked under the Stake & Earn Feature will not be available for trading or transfer throughout the period within which they are locked. However, they are eligible for other features, such as Polls, Typeforms, and potentially Fan Rewards, as may be determined by the Operator. Those other features requiring the use of Fan Tokens which are not simultaneously locked for the purpose of the Stake & Earn Feature, as well as those available for use with Fan Tokens locked under the Stake & Earn Feature, are subject to change at the Operator's sole discretion.

Users hereby acknowledge, understand and agree, that to participate in Polls or Surveys, they will first be required to lock their Fan Tokens by participating in the Stake

& Earn Feature. Users will not be eligible to vote in Polls and Surveys if they do not proceed to first lock their Fan Tokens in accordance with these provisions regulating the Stake & Earn Feature.

10.8.3.2.3. Network Fees (or Gas Fees) Required for Staking and Unstaking Transactions

Users are required to pay network fees (or gas fees) for locking and unlocking their Supported Fan Token(s) as part of the Stake & Earn Feature. These non-refundable fees are necessary to facilitate the blockchain transactions involved in locking and unlocking the Supported Fan Token(s) and are not levied by the Operator, but are inherent to the functioning of the blockchain network.

Gas fees must be paid in \$CHZ and Users must ensure they have a sufficient \$CHZ balance in their Socios.com Wallet to complete staking or unstaking transactions.

The amount of these fees may vary based on network congestion and transaction complexity. An estimated fee will be displayed to the User before confirming the staking or unstaking operation. Actual fees may differ from the estimates provided, and You acknowledge and agree that the Operator (and its Affiliates) shall under no circumstances be held responsible in any manner in relation to such network fees.

10.8.3.2.4. Reward Points Estimation

Before confirming a staking transaction, You will see an estimate of the daily Reward Points You may earn based on Your staked amount of Fan Tokens. The estimated daily earnings represent the number of Reward Points, rounded to the nearest whole number, that You can expect to receive from the Reward Points Pool each day. These estimates are indicative only and may vary due to changes in the Reward Points Pool, the total Supported Fan Tokens staked, or other factors. The Operator does not guarantee the accuracy of these estimates and shall not be held liable for any discrepancies between estimated and actual Reward Points earned.

10.8.3.2.5. Unstaking Fan Tokens

Unstaking refers to the process by which locked Fan Tokens are released from the Stake & Earn Feature and become eligible for return to the User's Socios.com Wallet. The process consists of the following three steps:

Step 1: Initiating unstaking

Users may initiate the unlocking process at any time. Reward Points earnings will be recalculated at the time the unstaking process is initiated, reflecting the updated amount of total staked Supported Fan Tokens. An indicative estimate of the Reward Points adjustment will be displayed to the User when the unstaking request is submitted.

Step 2: Cooldown period

Once the request is initiated, a **cooldown period of seven (7) days** will immediately commence. This cooldown period is implemented for operational and market prices stability purposes, ensuring the integrity of the Stake & Earn Feature. The Operator reserves the right to modify the cooldown period at its sole discretion. However, any modifications will apply only to future unstaking requests and shall not negatively affect existing stakes.

During the Cooldown Period:

- The locked Supported Fan Tokens remain in a transitional state within the smart contract and cannot be traded, transferred, or otherwise utilized.
- Reward Points will not accrue on locked Supported Fan Token(s) for which the cooldown period has been initiated.

Step 3: Claiming Supported Fan Tokens Post-Cooldown Period:

- Upon the expiration of the cooldown period, the unlocked Supported Fan Tokens will become eligible for active claiming by the User, who must initiate this action to enable their return to the User's Socios.com Wallet.
- Supported Fan Tokens not actively claimed will remain in a claimable state within the smart contract and will continue to be unavailable for trading, transfer, or other uses until retrieved by the User.
- Supported Fan Tokens in the claimable state will also not accrue Reward Points or any other benefits.

For the avoidance of any doubt, the unstaking of the Fan Tokens is an action which can solely and exclusively be initiated and undertaken by the User who owns such locked Fan Tokens.

10.8.3.2.6. Daily Reward Distribution

Reward Points will be distributed daily at the set payout time (currently set to midnight, 12:00 AM UTC=1, but may be amended at any point at the Operator's sole discretion). These Rewards Points are recalculated daily, considering any changes in the amount of total staked Supported Fan Tokens and fluctuations in the Reward Points Pool.

Any Reward Points gained from the locking of a Supported Fan Token through the Stake & Earn Feature may be used to redeem any Reward, including those related to other Partners, subject to the terms and conditions regulating Rewards in the Platform Terms.

10.8.3.2.7. Minimum Reward Guarantee

Users are guaranteed to earn a minimum of one Reward Point per Supported Fan Token locked, per day, unless otherwise advised or amended by the Operator. This guarantee applies regardless of fluctuations in the Reward Points Pool or the total amount of Supported Fan Tokens staked.

11. CONTESTS, RAFFLES AND SIMILAR PROMOTIONS

Periodically, Socios and/or its Partners may organize sweepstakes, contests, raffles, games, and similar promotions on the Platform and Websites and via our official account on social media or any other communication channel (each a “**Promotion**”). In addition to these Terms, Promotions will be subject to particular terms which will be made available to You at the time of these Promotions being made available (“**Promotional Terms**”). By participating in any Promotion, You will become subject to those Promotional Terms. All Promotional Terms are incorporated into, may vary from, and shall supersede these Terms. Socios urges You to read the Promotional Terms carefully prior to engaging in such Promotions. Our Privacy Policy, in addition to these Terms and any Promotional Terms, governs any information You submit in connection with such Promotions. Apple is not a sponsor or in any way involved in any Promotions (as defined herein) that are organised by Socios and/or its Partners as contemplated in this section.

12. GENERAL RISK FACTORS

You should carefully consider and evaluate each of the following risk factors and all other information contained in the Terms before deciding to participate in any activity on the Platform and/or Features. To the best of Socios’ knowledge and belief, all risk factors, which are material to You in making an informed judgment to engage in the Features and Services, have been set out below. If any of the following considerations, uncertainties or material risks develop into actual events, the business, financial position and results of operations of Socios could be materially affected. In such cases, the value of the Tokens could decline due to any of these considerations, uncertainties or material risks, and You may lose all or part of Your Tokens. By proceeding to create an Account and using the Platform You are acknowledging these risks.

12.1. RISKS RELATING TO USE OF THE PLATFORM

Crypto assets and related services present inherent risks and require sufficient knowledge. The following is a non-exhaustive disclosure of principal risk factors which You need to be aware of:

Purchase of the Tokens involves a high degree of risk. If you do not properly understand the functioning of blockchains, crypto assets and digital wallets, or in case of doubt

related thereto, You should refrain from using such services and from purchasing Tokens.

Transactions of the Tokens and use of the Socios.com Wallet are subject to significant technological risks, which include for example an error or a security defect associated with the blockchain; the theft or loss of credentials to the Socios.com Wallet; attacks from criminal groups; all of which may result in the loss of data and crypto assets.

Financial and operating risks confronting innovators are significant and Socios is not immune to these. Innovators often experience unexpected problems in the areas of product development, marketing, financial and general management, amongst others, which frequently cannot be solved.

The Tokens' value is not inherently guaranteed and in some cases depends on unregulated markets (in which fraudulent acts may occur to a greater extent than in traditional finance). The Tokens are exposed to market volatility and high risks of loss of value. Past performances are not an indicator of future performances and You should never purchase in amounts that you can't afford to lose.

The legal framework regulating crypto assets (including the Tokens) varies according to the jurisdiction in which they may be banned or subject to a regulatory framework that could significantly or totally lower their value. Also, upcoming changes, restriction or legal prohibitions made in the relevant legislation and future legislation, notices, rulings, injunctions, may impact the existence or lawfulness of crypto assets.

It is possible that, due to any number of reasons, including but not limited to, an unfavorable fluctuation in the value of cryptographic and FIAT, or intellectual property ownership challenges, it may not be viable for Socios to continue its operations and may dissolve or take actions that result in discontinuance of the Platform and Services/Features thereon.

The tax treatment of the Tokens, the purchase rights contained herein is uncertain and there may be adverse tax consequences for You upon certain future events and depending on the jurisdiction in which you are domicile or resident.

You must seek Your own tax advice in connection with purchasing or trading of Tokens. You should consult with and must rely upon the advice of Your own professional tax advisors with respect to tax treatment of a purchase and/or trading of Tokens pursuant to these Terms.

There is no prior market for the Fan Tokens and the Token Sale may not result in an active or liquid market for the Fan Tokens

A Token is not a currency issued by any central bank or national organization, nor is it backed by any hard assets or other credit. Trading of Tokens merely depends on the consensus on its value between the relevant market participants, and no one is obliged to purchase any Token from any holder of the Token, including the purchasers, nor does anyone guarantee the liquidity or market price of the Tokens to any extent at any time. Accordingly, Socios cannot assure that there will be any demand or market for Tokens.

External factors could materially and adversely affect the market price of the Tokens.

Any future sale of the Fan Tokens (which were not all available for sale in the Fan Token Offering) would increase the supply of Tokens in the market and this may result in a downward price pressure on the Fan Tokens. The sale or distribution of a significant

number of Fan Tokens outside of the Fan Token Offering, or the perception that such further sales may occur, could adversely affect the trading price of the Fan Tokens.

Negative publicity may materially and adversely affect the price of the Tokens and Socios' business activities.

Negative publicity involving the Partners and/or the Socios may materially and adversely affect the market perception or market price of both the Fan Tokens and the Chiliz Token, whether or not such negative publicity is justified.

There is no assurance of any success of the Platform due to many reasons, including but not limited to the following:

- New technical innovations;
- Analysts' speculations, recommendations, perceptions or estimates of the Tokens' market price or the financial performance of the Socios;
- Changes in market calculations and token prices of entities with operations similar to that of the Socios that may be made available for sale and purchase on the same exchanges as \$CHZ;
- Announcements by the Socios of significant events, for example, partnerships, sponsorships, or new product developments;
- Fluctuations in market prices and trading volume of cryptocurrencies on cryptocurrency exchanges;
- Additions or departures of key personnel of Socios;
- Success or failure of the management of Socios in implementing business growth strategies;
- Changes in conditions affecting the blockchain or fintech industry, the general economic conditions or market sentiments, or other events or factors.

12.2. RISKS RELATING TO THE SOCIOS PROJECT

There may be weaknesses, vulnerabilities or bugs in the protocols, systems and smart contracts in connection with the sale of Tokens and Services (including any trading activities).

Where relevant, Socios will make reasonable efforts to ensure that the protocols, systems, and smart contracts in connection with the sale of Tokens, trading and voting are audited, tested, and proved by technical experts. However, as smart contract technology is constantly developing and its application may be of an experimental nature, this carries significant operation, technological, financial, regulatory and reputational risks, there are inherent risks that such protocols, systems and smart contracts could contain weaknesses, vulnerabilities or bugs.

Socios is dependent in part on the location and data center facilities of third parties.

The infrastructure network of Socios and its Affiliates is in part established through servers which are owned and housed at the location facilities of third parties, and servers that they rent at data center facilities of third parties. If Socios is unable to

renew its data facility lease on commercially reasonable terms or at all, the Socios may be required to transfer their Services to a new data center facility and may incur significant costs and possible service interruption in connection with the relocation. These facilities are also vulnerable to damage or interruption from, among others, natural disasters, arson, terrorist attacks, power losses and telecommunication failures. Additionally, the third-party providers of such facilities may suffer a breach of security. Any security breaches or damages which occur may impact Socios and the price of the Tokens.

There may be prevention of transaction requests. Socios cannot be held responsible if You are prevented from sending a transaction request, or Your transaction request or email is not received by Us due to hardware, software or Services issues (including, without limitation, internet and other network connectivity issues).

By accepting these Terms, You fully understand, acknowledge and agree that there may be the termination of the business relationship with any of the Partners, which termination would mean that part or the whole of any Feature and Services which is related to the Partner with whom the business relationship was terminated shall be discontinued.

13. REPRESENTATIONS AND WARRANTIES

By accepting these Terms and using the Platform and/or the Features and/or the Services, You represent and warrant to Socios as follows:

- You acknowledge and agree that the Tokens are not intended to constitute securities of any form, units in a business trust, units in a collective investment scheme or any other form of regulated investment in any jurisdictions; You further acknowledge and agree that the Token does not grant the User any type of shares and/or voting rights in any legal entity;
- You acknowledge and agree that the Token cannot be qualified as an electronic money under Law on Electronic Money and Electronic Money Institutions and/or as a financial instrument under the Law on Markets in Financial Instruments and, accordingly, the respective laws are not applicable to the provision of Services.
- You are not a citizen or resident of an Excluded Jurisdiction;
- You acknowledge and agree that these Terms do not constitute a prospectus or offer document of any sort and is not intended to constitute an offer of securities of any form;

- The provision of these Terms, any part thereof or any copy thereof, or acceptance of the same by You, is not prohibited or restricted by the applicable laws, regulations or rules in Your jurisdiction, and where any restrictions in relation to possession are applicable, You have observed and complied with all such restriction at Your own expense and without liability to the Socios;

- You will not use the Apps, the Platform and Features to violate Third Party Rights, any applicable law, regulation, or restrictions outlined in these Terms and you will not encourage or enable any other individual to do so;
- Socios reserves all legal rights to recover damages or other compensation under these Terms or as allowed by law. In addition, Socios shall be entitled to take any action it considers appropriate, including removing, limiting, or suspending Your access to certain Features or Your Socios Account, as a whole;
- You have read and understood all of these Terms including any annexes and document related hereto;
- If You are a natural person, You are of sufficient age and capacity under the applicable laws of the jurisdiction in which You reside and the jurisdiction which You are a citizen to accept these Terms and perform all Your obligations hereunder;
- Socios reserve the right to refuse to award Rewards or Prizes to anyone who in Socios' sole opinion is in breach of these Terms, other applicable terms and/or any applicable law;
- These Terms constitute legal, valid, and binding obligations on You, enforceable in accordance with its terms and neither the purchase of, nor receipt, nor holding or use of Tokens or use of any Features is in breach or in contravention of any applicable law, regulation or rule in Your jurisdiction;
- You agree and acknowledge that none of the Partners, Socios and/or Indemnified Persons is liable for any direct, indirect, special, incidental, consequential or other losses of any kind, in tort, contract or otherwise, arising out of or in connection with any acceptance of or reliance on these Terms or any part thereof by You;
- You acknowledge and agree that We will not provide You or anyone else with any investment advice in connection with the use of the Services.
- You are not acting on behalf of any third party or are not allowing a third party to act on Your behalf;

All of the above representations and warranties are, and will continue to be true, complete, accurate and non-misleading from time of Your acceptance of these Terms notwithstanding the receipt by You of all of the Tokens.

Socios does not make, and hereby disclaims, any representation or warranty in any form whatsoever.

You agree to pay Us any Fees in connection with Your direct purchase from the Operator of any Chiliz Tokens on the Platform.

14. ACCOUNT SUSPENSION, RESTRICTION OR TERMINATION

14.1. REASONS FOR SUSPENSION, RESTRICTION OR TERMINATION

We may suspend, restrict, or terminate Your access to and use of the Services, Features and/or deactivate or close Your Socios Account at our sole discretion, at any time and without notice to You if:

- We suspect fraud, cheating, or misuse by You of content, Features or Services;
- We suspect any irregular or other unlawful activity associated with Your Socios Account;
- We suspect that You are engaging in arbitrage or any similar acts;
- We suspect that You are making use of the Services and/or the Platform to engage in activities for which the Platform is not intended;
- We suspect that You hold Your Socios Account in favour of third parties;
- We suspect that You have used a payment card which does not belong to You
- We suspect violation of these Terms, the Global Terms of Use, the Socios.com Wallet Terms, the Guidelines, our Privacy Policy or any applicable laws and regulations;
- Socios sees it necessary to protect the interest of the User and/or Socios and/or other Users of Socios;
- We suspect that You have provided counterfeit, forged, manipulated or unsatisfactory user verification documentation or false personal data;

- the use of Your Socios Account is subject to any pending litigation, investigation, or government proceeding and/or we perceive a heightened risk of legal or regulatory non-compliance associated with Your activity on the related Socios Account.

You agree that Socios shall not be liable to You for any permanent or temporary modification, suspension or immediate termination of your Socios Account and/or access to all or any portion of the Services.

We have the right to keep and use the transaction data or other information related to such Socios Account for a period during which Your account is active, as well as for as long as the storage has a legal basis.

If We suspend Your Account, We may continue such suspension until such time as the ground for such limitation or restriction is extinct and/or resolved to Socios' satisfaction. You agree that Socios will have no liability or responsibility for any such limitation or restriction placed on Your Account, or for Your inability to access the Socios.com Wallet through the Platform interface or execute trades during the period of any such limitation or restriction. Should the ground for such limitation or restriction be extinct and/or resolved to Socios' satisfaction, Socios reserves the right to immediately terminate the Service.

14.2. CANCELLATION OF YOUR SOCIOS ACCOUNT

In case of any of the following events, Socios shall have the right to directly terminate these Terms by cancelling your Socios Account, and shall enjoy the right but not the obligation to permanently freeze (cancel) the authorizations of Your Socios Account:

14.3. YOUR REQUESTS FOR DEACTIVATION OR LOCKAGE

You may request that We deactivate or delete/close Your Socios Account at any time by contacting Our customer support center or directly doing so on the Platform should this feature be available.

For the sake of clarity, once You proceed to export the Private Key through the Emergency Exit Functionality, Your Socios Account will be deleted and You will no longer have access thereto.

Accordingly, You agree that in the event that You breach Your confidentiality obligation, Socios will also be entitled to injunctive or other equitable relief as the court deems appropriate, in addition to any other remedies which it may have available.

19. FEES AND PENALTIES

19.1. The User understands and acknowledges that the Operator charges a specific amount for some transactions as may be specified in these Terms and/or on the following [Fees Information Page](#) (“**Fees**”). The User agrees to pay the Fees. The Operator may, at its entire discretion, update the Fees at any time. These updated Fees will apply to all transactions that occur following the effective date of the updated Fees.

19.2. Dormant Accounts

19.2.1. The Operator reserves the right to close, without prior notice to the User, Dormant Accounts that do not hold any Token balance in the associated Archived Wallet and whose corresponding User did not proceed to set-up the Socios.com Wallet.

19.2.2. If Your Socios Account is a Dormant Account holding a Token balance in the Archived Wallet and a Socios.com Wallet was not set up, the Operator shall have the right to charge You a penalty (“**Dormant Account Penalty**”) which shall be calculated as provided hereunder.

19.2.3. The Operator will inform You in advance before charging the Dormant Account Penalty so You have the opportunity to either: (i) set up the Socios.com Wallet thereby transferring Your Token balance thereto; or (ii) contact customer support on support@socios.com to withdraw Your Token balance from the Archived Wallet to a compatible third-party wallet; and avoid paying the Dormant Account Penalty. If You do not agree to the payment of the Dormant Account Penalty, You shall be required to close Your Socios Account and discontinue using any Services on the Platform.

19.2.4. If Your Dormant Account continues to hold a Token balance after the expiration of the notice period to set up the Socios.com Wallet or withdraw Your Tokens, then the Operator may charge You a Dormant Account Penalty in an amount equal to twenty-five

percent (25%) worth of Chiliz Tokens and/or Fan Tokens (or any amount as may be determined and amended from time to time at the Operator's sole discretion) for each month that You continue to have a positive Token balance, with a minimum of five Euro (€5) equivalent being deducted each month (Note: If the Dormant Account Penalty is stated in a currency other than the base currency of your Account, it will be calculated in Your Socios Account's base currency. This conversion is made and fixed using a reasonable exchange rate at the time each individual Dormant Account Penalty is set). For the sake of clarity, the twenty-five percent (25%) Dormant Account Penalty worth of Chiliz Tokens and/or Fan Tokens shall be calculated and established on the Token balance held in the Archived Wallet when the first Dormant Account Penalty is charged, and the same fixed penalty amount will be charged in the subsequent months until or unless the entire Token Balance is withdrawn. You are therefore encouraged to set up the [Socios.com](https://www.socios.com) Wallet or withdraw the entire Token Balance to an external wallet to ensure no Token balance attracting any penalty remains pending on the Archived Wallet. By way of example, if the Token balance as at the date upon which the first Dormant Account Penalty equivalent to twenty-five percent (25%) is imposed is equivalent to one hundred Euro (€100), the first monthly deduction shall be equivalent to an amount of twenty-five Euro (€25), the second monthly deduction shall be equivalent to an amount of twenty-five Euro (€25), the third monthly deduction shall be equivalent to an amount of twenty-five Euro (€25), and the fourth and last monthly deduction shall also be equivalent to to an amount of twenty-five Euro (€25).

19.2.5. The equivalent value of the Dormant Account Penalty in Chiliz or Fan Tokens shall be deducted from the Archived Wallet of the Dormant Account on a monthly basis. It shall be computed cumulatively and deducted from the available Token balance taking into account the Token value as at the date of the Dormant Account Penalty being charged, in the following consequential order: (i) Chiliz Tokens (if any); (ii) Fan Tokens (if any). The Dormant Account Penalty shall be calculated on individual whole Fan Tokens balance in ascending order by deducting those Fan Tokens with the lowest value first, followed by the second lowest value Fan Token, and so on and so forth, until an amount of Fan Token value equivalent to the Dormant Account Penalty (or closest thereto) is computed. For the avoidance of doubt, any remaining Token balance following the third monthly deduction by way of Dormant Account Penalty shall be deducted in its entirety through the fourth and last instance of the Dormant Account Penalty.

19.2.6. If Your Dormant Account balance is equivalent to less than Five Euros (€5) worth of Tokens, then the remaining balance shall be deducted in its entirety by way of the Dormant Account Penalty – the Archived Wallet will never have a negative balance.

19.2.7. The Operator can continue to charge the Dormant Account Penalty until the earlier of the following occurs: (i) You set up the Socios.com Wallet; or (ii) You withdraw any remaining Tokens from Your Archived Wallet; or (iii) Your Token balance reaches zero. This Dormant Account Penalty applies on top of any fees (such as network fees) that may apply for the Token balance withdrawal. The Operator shall in no case refund

any Dormant Account Penalty(ies) (or portion thereof) previously charged to such Dormant Account User.

19.2.8. If your Dormant Account holds any NFT(s) when the balance of Chiliz Tokens and Fan Tokens reaches zero, then any and all such remaining NFT(s) in the Dormant Account shall be forfeited by the User. Such forfeiture shall take place following a prior notice being sent to the User to allow the withdrawal of such NFT(s) and avoid such forfeiture. Once the Dormant Account contains no Tokens (including NFTs), the Operator reserves the right to close the Dormant Account and Archived Wallet.

19.3. Closed/Locked/Deactivate Accounts

19.3.1. “**Closed Accounts**” shall refer to Socios Accounts that were closed, locked or deactivated due to various reasons such as the breach or suspected breach of the Terms or Applicable Laws, or for any other justifiable reason as determined at the Operator’s sole discretion.

19.3.2. The Operator reserves the right to permanently close, without prior notice to the User, those Closed Accounts that were locked or deactivated, and that do not hold any Token balance in the associated Archived Wallet.

19.3.3. If the Archived Wallet associated with Your Closed Account holds a Token balance, the Operator shall have the right to charge You a penalty (“**Closed Account Penalty**”) which shall be imposed and calculated as provided hereunder.

19.3.3. The Operator will inform You in advance before charging the Closed Account Penalty, therefore prior to being charged, You shall have the opportunity to furnish any information, details or documents as required by the Operator to ensure Your Closed Account is compliant with the Terms, Applicable Laws and the Operator’s policies. In the event that the Operator is, at its sole discretion, entirely satisfied with the information, details or documents You furnished, Your Closed Account will be unlocked/reactivated and You may proceed to either withdraw Your Tokens or set-up Your [Socios.com](https://www.socios.com) Wallet, and the Closed Account Penalty will not be imposed. In the event that You remain in default and do not furnish the information, details or documents required by the Operator, or where such information, details or documents are not to the Operator’s satisfaction, the Closed Account Penalty shall be imposed on the Token balance associated with Your Closed Account. Should You be notified about the potentiality of the Closed Account Penalty being imposed on Your Token balance and have any related queries, kindly contact customer support on support@socios.com for guidance.

19.3.4. The Closed Account Penalty shall be charged in an amount equal to twenty-five percent (25%) worth of Chiliz Tokens and/or Fan Tokens (or any amount as may be determined and amended from time to time at the Operator’s sole discretion) for each month that You continue to have a positive Token balance, with a minimum of five Euro (€5) equivalent being deducted each month (Note: If the Closed Account Penalty is

stated in a currency other than the base currency of Your Socios Account, it will be calculated in your Socios Account's base currency. This conversion is made and fixed using a reasonable exchange rate at the time each individual Closed Account Penalty is set).

For the sake of clarity, the twenty-five percent (25%) Closed Account Penalty worth of Chiliz Tokens and/or Fan Tokens shall be calculated and established on the Token balance held in the Archived Wallet when the first Closed Account Penalty is charged, and the same fixed penalty amount will be charged in the subsequent months until You cooperate and provide the Operator with the required information, details or documents as requested to the Operator's satisfaction. By way of example, if the Token balance as at the date upon which the first Closed Account Penalty equivalent to twenty-five percent (25%) is imposed is equivalent to one hundred Euro (€100), the first monthly deduction shall be equivalent to an amount of twenty-five Euro (€25), the second monthly deduction shall be equivalent to an amount of twenty-five Euro (€25), the third monthly deduction shall be equivalent to an amount of twenty-five Euro (€25), and the fourth and last monthly deduction shall also be equivalent to an amount of twenty-five Euro (€25).

19.3.5. The equivalent value of the Closed Account Penalty in Chiliz or Fan Tokens shall be deducted from the Archived Wallet of the Closed Account on a monthly basis. It shall be computed cumulatively and deducted from the available Token balance taking into account the Token value as at the date of the Closed Account Penalty being charged, in the following consequential order: (i) Chiliz Tokens (if any); (ii) Fan Tokens (if any). The Closed Account Penalty shall be calculated on individual whole Fan Tokens balance in ascending order by deducting those Fan Tokens with the lowest value first, followed by the second lowest value Fan Token, and so on and so forth, until an amount of Fan Token value equivalent to the Closed Account Penalty (or closest thereto) is computed. For the avoidance of doubt, any remaining Token balance following the third monthly deduction by way of Closed Account Penalty shall be deducted in its entirety through the fourth and last instance of the Closed Account Penalty.

19.3.6. If Your Closed Account Token balance is equivalent to less than Five Euros (€5) worth of Tokens, then the remaining balance shall be deducted in its entirety by way of the Closed Account Penalty – the Archived Wallet will never have a negative balance.

19.3.7. The Operator can continue to charge the Closed Account Penalty until You furnish any information, details and/or documents required by the Operator, to the complete satisfaction of the Operator, and following which the earlier of the following occurs: (i) You set up the Socios.com Wallet; or (ii) You withdraw any remaining Tokens from Your Archived Wallet; or (iii) Your Token balance reaches zero. This Closed Account Penalty applies on top of any fees (such as network fees) that may apply for the Token balance withdrawal. Provided that, should the Operator be subject to any regulatory requirements or Applicable Laws preventing it from providing You with the

Services (whether in part or in whole), and therefore is unable to continue servicing You, once You furnish any information, details and/or documents required to the satisfaction of the Operator, kindly contact customer support for further guidance on the withdrawal of Your Token balance. The Operator shall in no case refund any Closed Account Penalty(ies) (or portion thereof) previously charged to such Closed Account User.

19.3.8. If your Closed Account holds any NFT(s) when the balance of Chiliz Tokens and Fan Tokens reaches zero, then any such remaining NFT(s) in the Archived Wallet of the Closed Account shall be forfeited by the User. Such forfeiture shall take place following a prior notice being sent to the User regarding the forfeiture of such NFT(s). Once the Closed Account contains no Tokens (including NFTs), the Operator reserves the right to close the Closed Account and the associated Archived Wallet.

Such Dispute Notice will include sufficient details of the dispute to enable the other Party to consider its position in relation to the dispute. Each Party agrees to use its best endeavors to settle any dispute amicably between the Parties within a period of 30 days from the date of the Dispute Notice.

To the extent permitted under the law, You agree that any dispute, claim, or controversy between You and Us arising in connection with or relating in any way to these Terms or to your relationship with Us as a user of Our Services (whether based in contract, tort, statute, fraud, misrepresentation, or any other legal theory, and whether the claims arise during or after the termination of these Terms) shall be settled by individual arbitration in accordance with Part IV (Domestic Arbitration) of the Malta Arbitration Act, 1996 and the Arbitration Rules of the Malta Arbitration Centre as at present in force. The appointing authority shall be the Malta Arbitration Centre, and the number of arbitrators shall be one (1). The place of arbitration shall be Malta and the language to be used in the proceedings shall be English, unless otherwise required by a mandatory law of a member state of the European Union or any other jurisdiction. The award shall be final and binding and there shall be no appeal.

No award or procedural order made in the arbitration shall be published, and the existence of the arbitration shall be considered as confidential information and may not be disclosed to any third party who is not a party to the arbitration. ANY ARBITRATION AGAINST US MUST BE COMMENCED BY FILING A REQUEST FOR ARBITRATION WITHIN ONE (1) YEAR AFTER THE DATE THE PARTY ASSERTING THE CLAIM FIRST KNOWS OR REASONABLY SHOULD HAVE KNOWN OF THE ACT, OMISSION OR DEFAULT GIVING RISE TO THE CLAIM; AND THERE SHALL BE NO RIGHT TO ANY REMEDY FOR ANY CLAIM NOT ASSERTED WITHIN THAT TIME PERIOD. THIS ONE YEAR LIMITATION PERIOD IS INCLUSIVE OF THE INTERNAL DISPUTE RESOLUTION PROCEDURE SET FORTH IN THIS SECTION. THERE SHALL BE NO RIGHT TO ANY REMEDY FOR ANY CLAIM NOT ASSERTED WITHIN THAT TIME PERIOD. If applicable law prohibits a one-year limitation period for asserting claims, any claim must be asserted within the shortest time period permitted by applicable law.

Without prejudice to the above, where determined by Applicable Laws, Users may bring a claim to enforce consumer protection rights in connection with these Terms in Malta or their country of domicile.

For European Users, the European Commission provides You with another option for raising a dispute via an online dispute resolution platform, which you can access [HERE](#). Notwithstanding any dispute or reference of certain disputes (or part of certain disputes) for determination by arbitration pursuant to this clause, the Parties will continue to comply with their respective obligations under these Terms.

Any and all payments by or on account of Purchase Price shall be made free and clear of and without deduction or withholding for any Payable Tax, except as required by applicable law. If

You are required by applicable law to deduct or withhold any Payable Tax from the Purchase Price, then:

1. the amount of Purchase Price shall be increased so that after all such required deductions or withholdings are made (including deductions or withholdings applicable to additional amounts payable under this Section), the Socios receives an amount equal to the Purchase Price that would have been received had no such deduction or withholding been made, and
2. You shall make such deductions or withholdings and timely pay the full amount deducted or withheld to the relevant tax authority in accordance with applicable law.

You shall be responsible for determining any value-added tax (“VAT”) on the Purchase Price and timely reporting and remitting the correct amount of VAT to the appropriate tax authorities.

Socios shall not be responsible for determining any Payable Tax and declaring, withholding, collecting, reporting, and remitting the correct amount of Payable Tax to the appropriate tax authorities on Your behalf. You shall be liable to assess the appropriate amount of Payable Tax (including VAT) due by You pursuant to the applicable rules to convert the Purchase Price to the currency that is legal tender in Your country. You shall be liable to pay any Payable Tax due by You, including but not limited to income taxes that may be levied on any gains resulting from such conversion, if appropriate.

You shall hold Socios harmless from and against any amount of Payable Tax that is required to be paid by You on behalf of Socios, and any penalties, fines, orders or administrative sanctions (and any costs and expenses, including reasonable attorney’s fees, costs and other reasonable out-of-pocket expenses incurred in connection with the enforcement of any rights under this Section in connection therewith) resulting from or arising out of any failure by You to pay any Payable Tax when due.

22. ADDITIONAL TERMS RELATING TO MALAYSIAN USERS

Notwithstanding any other provisions in these Terms, the following provisions apply to users residing in Malaysia.

22.1. REGULATORY STATUS OF SOCIOS (MALAYSIA)

You agree and acknowledge that neither Socios, its subsidiaries, nor affiliates, nor any Partners, nor any parties involved with the creation, production or delivery of services and content (including the Tokens) are regulated by Bank Negara Malaysia or the Securities Commission of Malaysia.

22.2. RISK WARNING (MALAYSIA)

You agree and acknowledge that the Tokens, including \$CHZ are not securities nor derivatives under the Capital Markets & Services Act 2007 of Malaysia, and should not be construed in any way, shape or form as any form of investment or financial product

or service. Nothing contained in these Terms, nor any information displayed or contained in any part of the Platform shall be construed by You as solicitation, an attempt to solicit, an information memorandum, prospectus, invitation to treat, advice, recommendation, view, or opinion as to any prospect of the Tokens or \$CHZ as an investment or financial product or financial service.

You agree that You are solely responsible for making your own independent investigations and appraisals of all Tokens, \$CHZ and any transaction contemplated within (including any withdrawals out and transfers in) the Platform and any transaction undertaken is done as a result of Your own research or independent verification of any information contained on the Platform. We specifically disclaim any liability for any views, opinions, or information provided in respect of any Tokens or \$CHZ provided by any third-party.

You agree and acknowledge that You have conducted your own research, enquiries, and due diligence on all content, products and services offered by Us, and You have considered all material features of and risks involved in respect of the Tokens and any transactions contemplated on the Site and Apps, including but not limited to information on:

1. the nature of the Tokens;
2. the risks and benefits of the Tokens;
3. the utilities associated with the Tokens;
4. your key rights as set out in these Terms;
5. the ability to withdraw in accordance with these Terms, and to convert any of the Tokens into FIAT money; and
6. the fees and charges to be borne by you in respect of the transactions.

You agree and acknowledge that the Tokens and the transactions contemplated in the Apps and Site are not capital protected, and are not subject to any redress under any Malaysian laws, including the Securities Industry Dispute Resolution Center, nor any redress mechanism operated by Bank Negara Malaysia, nor any other Malaysian authority.

You understand and agree that the Tokens and Socios may be subject to the laws and regulations of jurisdictions other than Malaysia, and you are aware of the risks of transacting on the Platform, including but not limited to differences in regulatory regimes, consumer protections, differences in legal systems, and jurisdiction-specific costs (including tax related costs).

You understand and agree that your payments relating to the Tokens and any transactions contemplated under Our Apps, Site and Platform may cause you to be exposed to price, foreign currency exchange, interest rate or other market factors that may affect the value in which you may be able to exchange the Tokens in the event You need to withdraw from the Apps or exchange the Tokens for FIAT money.

22.3. FOREIGN EXCHANGE COMPLIANCE (MALAYSIA)

\$CHZ is considered a 'Foreign Currency Asset' by Bank Negara Malaysia within the meaning of the Financial Services Act 2013 of Malaysia, and the Foreign Exchange

Policy Notices (“**FEP Notices**”) issued by Bank Negara Malaysia from time to time. By accessing the App, the Platform, the Site, and by participating in any transaction, and in particular, by purchasing any \$CHZ, You must be compliant in all respects with the FEP Notices.

In particular, You acknowledge and agree that you have no Domestic Ringgit Borrowing, or that if you have Domestic Ringgit Borrowing, then you have not invested more than RM1million in aggregate in Foreign Currency Assets within the calendar year.

You agree that if Your circumstances change in this regard, you shall promptly notify us of such change, and You shall abstain from carrying out any transaction on the App, and from buying any Fan Tokens (limitedly during the Fan Token Offering) or \$CHZ from the Operator or Issuer, as the case may be.

You acknowledge and agree that this section applies to any Resident of Malaysia. For the purpose of this clause, the terms “**Domestic Ringgit Borrowing**” and “**Resident**” of Malaysia shall have the meanings given to them under the FEP Notices issued by Bank Negara from time to time. However, for the sake of information purposes only, and as long as You are a natural person (and not a company or entity):

1. **Domestic Ringgit Borrowing** generally refers to where You have more than one (1) home loan, more than one (1) car loan, or where You have any personal loans or other credit facilities, (but it does not include credit cards, charge cards and non-recourse personal financing); and
2. **Residents** generally refer to any citizen of Malaysia (excluding citizens who have obtained permanent residency outside Malaysia, or residing outside Malaysia), and any non-citizens of Malaysia who have obtained permanent residency in Malaysia, or are ‘ordinarily residing’ in Malaysia. Generally You may be considered to be ‘ordinarily residing’ in Malaysia even if you are a non-citizen if you are in Malaysia for 182 days or more per basis year of tax.

You acknowledge and agree that You cannot rely on the descriptions of these terms given above which are provided to guide You for information purposes only, and You are required to fully understand the nature of these terms under the FEP Notices and Malaysian laws as updated from time to time. You agree that if you are unclear of whether you have Domestic Ringgit Borrowings, or are considered a Resident of Malaysia, you will not participate in any transaction, nor attempt to purchase any \$CHZ nor Tokens until you have consulted Your own legal, tax, and expert advice.

22.4. DISCLOSURE TO AUTHORITIES

You hereby agree that Your personal information, including information relating to Your transactions may be disclosed to regulators and government authorities as and when required under applicable laws, and for the purpose of compliance under Malaysian laws. Specifically, You agree that any information You provide including any declarations relating to compliance with the FEP Notices and information relating to Your account

may be disclosed to Bank Negara Malaysia. You further agree that in all such circumstances, neither Socios nor any of its affiliate or subsidiary companies shall be obliged to seek any further consent from You, nor shall Socios be obliged to inform You of such information being shared to regulators or authorities.

22.5. GOVERNING LAW

You acknowledge and agree that in the event of dispute arising from any matter under this Section 22 the governing law shall be Malaysian law, and the courts of Malaysia shall have exclusive jurisdiction.
